Sun. Aug. 2. 1908. Portland. Ore. Very warm

Cold this morning. I arose at 8 A.M. went out had something to eat. went up to my Office. read the Sunday Journal. went to P.O. got a letter from Coast Lighting Co. saying they had forwarded my burners by Exp. I walked around the city till 1 P.M. then took Mt. Tabor Car to 32nd st. and went to Mr. E.U. Phillips home for dinner. spent the afternoon with them. enjoyed the visit very much. He is going to work with me in selling the Improved Gasoline Gas Mach. he is well acquainted around Hood River. I think I will assign him this territory. I would like to hear from C.V. he has had bad luck in his territory account of wild forest fires. Fernie B.C. is completely burned off the Map. and this town has been one of his best mountain customers for Rains. It is very warm tonight with a high wind blowing.

Mon. Aug. 3. 1908. Portland. Ore. Very warm.

I went to Exp. Co's Office the first thing, this morning: got my box of burners, Mantals & Chimneys, after getting something to eat. I went to my Office to fit up my Machine. I found that I had no fixtures, After running around for a while and finding what I needed. I went to Gas Co. there I got the fixtures, also saw Thos. Arrowsmith was working here. supposed he was with Seattle Gas Co. Pha used to work under him there. I went to my Office, finished fitting up my Machine, And it is working fine. I am very much encouraged with the prospects of good business with it. Mr. E.U. Phillips is crazy to get in with me and wants to work Hood River. If he can make good there, he can go ahead. I recd. a short line from home today. did not get very much information other than all seemed to be well. Anita Piper had ans. my letter to her. which which was forwarded in the letter from home. I left Mr. Burrows to take care of the Office this morning. and went to Organ City. I called on Mrs. Thos. Ryan. in Masonic Bldg. also on Mr. H.C. Stivens a wealthy property owner. who is building a fine home for himself. he is very much interested and was glad to meet me. will want a plant. soon as his house is completed. which will be a month or six weeks. yet. I talked with several business men who are needing better light. I came away from there 3.20 P.M. arrived at my Office about 4. let Mr. Burrows go out. This evening I got on an Alberta Car and went to the end of the line, did not run across Jess. the old Gas boy chum of Phels. I met a Policeman there and he did not know him. we both came in on same car. I gave the Policeman a good gas talk. He said he would come in and see me.

Mon. Sep. 14. 1908. Pleasant. Misting to-night.

I came to the Office this morning. Mr. Burrows also reported. I sent him out to Lenty. to hustle. guess he did some pretty work. from his report. I went to St Johns. to see the Barber. I don't Know whether there is anything to him. this is my 3rd crack at him. and he looks like a hot air. I had a fellow by name. Richard Wheeler in tonight he wants to work for me. but is financially embarassed.

I want to write to Clarina tonight. tomorrow he is old. I drew $9.00 from the Bank. so I can live. awhile longer. and pay my room rent. 3.00

Tues. Sep. 15. 1908. Portland. Fine weather. No Mail.

I have been at the Office most all day. Mr. Burrows was tired and stayed in. We have had a few callers. a Mr. Porter. who Mr. Burrows Knew. a Mr. Hendrickson. a young man who seems to be mechanical. and is very highly interested in the Machine. never saw anything like it before. a Mrs. McDonald. friend of Burrows. called. Mr. Burrows son. also. I expected a letter from Coast Lighting Co. but got none. My old landlady came in to see the machine. Phillips failed to drop in. guess he got so much joy out of the Deb. meeting last night. that he don't care to get into a Soft. room.

Expenses. Mags .25 - B- .10 D. - .20 S, .25 Cigars, .15 Car. .10 Shoes sole. .95 $2.00

Wednes. Sep. 16. 1908. Fine day-

I put in all forenoon getting my machine in working order. the lights would not burn to advantage. and the light was very bad. I drew all the gasoline from the Carburater. and it was very poor. I took out about 1½ gals. the machine works fine now-
This afternoon I went to Oregon City. found 4 good prospects for gas Machines. I now have as prospects there Mr. H.C. Stevens. Dr. Summer. Mr. Harris. Brunswick Restaurant a Grocery on 10th & Main N.W. Cor. Mr. Geo. Reddaway. Grocer on 7th.
I bought a 5 gal can this morning to put my Gasoline in. 1.25 the old can furnished me is dangerous. I put the bad gasoline into it. I recd. a nice letter from C.V. today. everything booming there. Mr. Burrows has been on hand. all day-
I am writing now in my office 8. P.M. have to get my supper yet. just arrived from Oregon City-

Thurs. Sep. 17. 1908. Delightful day - No Mail.
I have been at the Office all day. Mr. Burrows went to St. Johns. I had no callers. went to 309 Ankeny st. this evening and brought Mr. Graham to see the Machine. He says he has it the money. but has his house piped for gas. and will buy a machine soon as he can. I wrote to Pha today and told him to ask Pennewell about the grades of gasoline and what results from a lighter grade than we are using. Things are certainly looking mighty discouraging here in Portland to me. I gave Burrows on acct. 1.25 he was broke and had to walk in this morning-

Expenses. Burrows. 1.25 B. 20 S. 20 Bananas, 10 Cig 10 Total $. 1.85

Fri. Sep. 18. 1908. Very pleasant day.

I have kept the Office open all day. Mr. Burrows was out meeting but no good has come out of either our efforts. I had a letter from my wife and answered it. I wrote to Mr. F. Falke, Prop. Roseburg Restaurant & Lunch room Roseburg, Ore. offering him special inducements to come and see me. I have not been out in town at all today. My room rent expired today. so I must out and hunt for a place to sleep. I gave Mr. Burrows $1.25 on acct.

I stopped at my old room on Park ave. last night. I am all swelled up where the bugs eat me night before last. I went to P.O. this morning. nothing for me. I came to my Office read the Oregonian. went to Lunch at 3. then took Alberta Car to end. and walked north on gravel road to Slough road. then to Woodlawn, took Car in. transit to 16th went out to Fair Grounds. I was surprised to see so many of the buildings standing. it being dark I could not go through. There was a dance being given by some foreign people in the Oriental Bldg. there. I came into the city. had a cup of coffee & pie.

Mon. Sep. 21. 1908. Clear fine day. — No Mail.

I got up. 7.30 this morning. had a bad night. my arm and feet gave me lots of worry - itching and swelling from the poison of the bed bug bites. I got friday night. I came to the Office. and soon after Mr. Burrows came in I went to Oregon City. to see some of my prospects there. I don't know whether any of them will come in to see me or not. they promise to - I came back about 3. P. M. Mr. Burrows went out awhile this afternoon. met two or three who he thinks may become interested. I had a call from an Adv. man this afternoon. H.C. Kaufman. Sec. The Pacific Northwest a magazine published in Portland - he is a very agreeable visitor. My feet are bad tonight itch to kill - and are swollen and sore. I am really discouraged -

Tues. Sep. 22. 1908. Clear and cold.

I have been at the Office all day - feeling all out of fix. my feet and ankles swollen. and itching almost beyond endurance at times. my blood is terrible shape. I am taking Liquocide. and putting Spts. Camphor on the inflamed spots. Mr. Burrows went to "Garden Home" and "Metzger" suburbs on Salem line of Electric. about 8 miles out. He did not meet with any positive results. but think he has some of them interested. No one came in here to see the machine. and by the way it has been acting bad today. some of the burners will not light with chimney on. I have had to take chimney off. and put it on after the light had caught. I recd. a letter from Bennie. he would like to come and help me but has not a cent to come on or provide with, I am afraid to add any new expense till something has matured from work all ready done. I recd. Pacific Magazine from Coast Lighting Co. with there Advertisement marked - I recd. from home two issues of Walkerton Independent. I wish I was back to Chicago - I could starve there more satisfactory than here if starve is what I am to do -

Wedns. Sep. 23. 1908- Cold clear day-

I have had another dull dead day- no one in. Burrows and I both waiting and expecting promised calls- It seems there is no truth in anything- The machine would not respond for light this morning- the stove worked fairly well- I had to get busy and hunt for the trouble. so there could be light should any of our promised calls from customers materialize. I got the lights on about noon- they are not quite up to standard yet. but I think will prove all right now. I had a letter from Pha. answering my questions to Coast Lighting Co. I am about sick. Coughed much, last night- my back aches. to much.

Expenses. B.- 20 D- 15 S- 25 Cigars. 10 Alcohol, 10 Brushes, 10 Pens. 5 Total $. .95

Thurs. Sep. 24. 1908. Cold. Symptoms of rain.

I did not sleep well last night. my exzema got to itching fierce- I got up late this morning account of my watch stopping in the night- I paid the landlady 1 week 3.00 this morning this is good till saturday noon. I came down town had breakfast. then came to the Office. tried my lights and none of them would ignite. this was the last straw- I did not know what to do. studied hard to think of a reason- finally decided it was either the gasoline or machine so drew off all the gasoline from mach. and filled with new. Glory- the lights came out fine as sunshine. and now everything looks rosy once more. I recd. a letter from my wife. she does not have much encouragement from that end- Bennie does not confide what he is doing. and is away from home to much - Well. ———

I send my wife a check on Puget Sound Nat Bank for 15.00

I came to the Office this morning. and as Mr. Burrows had the promise of callers today I stayed in. and he stayed also. Usual results no one came. Burrows went home tonight with sore throat and bad cold. I met Phillips and Mrs Phillips at "Good Eats" tonight. they stopped in for a coffee and sandwich on their way to the Armory to hear a blind man from Oklahoma, spout on Democracy. I will extend sympathy to him. for in my way of thinking only blind men would espouse this old failure of a party. I gave Burrows a dollar on acct tonight. he is poor and all he gets is what I give him. The machine is acting fine. I sent a souvenir Postal to W.L. Jagues. today hinting that I had not yet had any acknowledgement of my last remittance of $14.00

Mon. Sep. 28. 1908. Hillsboro, Ore. Lovely day.

I got up early after breakfast went rustling the town I tried to find a local representative. but failed. a man I might have engaged, a Mr. Wright in Plumbing business was out of town. I talked with Mrs. W. and left Prospectus. I may hear from him later. I found a few prospects - and took train at 3.27 P. M. got off here. as a Fair is on from the 30th to Oct. 3 - I have looked the town over. it looks as if there ought to be some business here. as the town is poorly supplied with light. There is a ~~Cincinatti~~ Cincinnatti Co putting a gasoline gas light in a couple of stores now. I don't think their light as good as ours. I guess I will go into Portland in the morning. I hardly think the Fair would be of any advantage to me. I had a hard time to find a room tonight Hotels all full. I have a room in a private home. owned by a Merchant. Mr. Ennis by name it is a little storage room up stairs. no table. I am writing on my knee.

Wednes. Sep. 30. 1908. Warm fine day.

I went to the Office this morning. 8 o'clock. stayed there all day. Burrows came about 9. said he looked for some people this noon. they didn't come. I allowed the machine to stand till after 4. P.M. I then commenced to take it down. and at 8. P.M. I had it all ready to crate. I never abandoned anything in my life that seemed more disappointing. I have worked hard for two months, spent my money. and not a farthing yet to show for it. I will soon as possible get it. the machine set up somewhere else and hope to have more satisfaction. Mr. Burrows son came in this afternoon he said he could not understand why people who wanted better light. and now could get it. were so indifferent and slow.

I recd. a letter from my wife. and answered it.

I was up at 6.15 this morning. went over to "Good Eats" and had a coffee & sandwich then hurried to Depot to meet Pha. He came in last night and could not find me. I was expecting him this morning. He found me in front of Gerlinger Bldg. as I had gone there expecting a Mr. Jos. Foster from Oregon City. He did not come. Pha and I went and some breakfast. then back to Depot to get his grips. which we brought to my room. He went out to Woodlawn for dinner and has not got back at this time. I am not feeling very good my back aches. I took a hot bath. but that does not seem to help much.

I would enjoy being at home tonight sitting by the little Hot Blast stove.
