

Will send
of our paper
near from
you

do try to come over
this summer
for a holiday

Geo Bone
Sticklipath Hill
Barnsley
Dec 6th 1920

My dear Will & Jess
hope this will find
you all in good health &
I being so we are both fairly
well. Will keeps about the
same his speech does not get
much better he can say yes
& no so well now I can
but not much else do hope
it will come back one of these
days & give us a surprise

he helps me with the house
work & goes for nice loaf
walks in the afternoon
he has been up to Houston
to his Indus for a few
days with Jim his brother he
was found up shooting &
will work with him enjoyed
himself very well but was
glad to get back home again
he is very fond of his home
I always try to make him
happy as I can & he
keeps very bright - considering
all things I suppose will you
all I'll with Wilson

Will I tell me all about
yourself & what your work
is at - Wilson
things are looking rather bad
home here just at present -
but hope it will look up
again soon
we were in to Emma Puseys
is in yesterday enjoyed much
fine the daughter is going
to be married next summer
all being well
the 2 sons are in the
business with Will
they are nice young fellows
& full of fun Emma
the daughter is just the same

bright & Jolly they cheer us up
When we go there
Now dear I have sent 2 little
presents for James a pencil
for Will butter knife for
you hope you will like them
I am looking forward to those
pictures of the ~~children~~ children
When you have them taken
Now dear I will send you a
week's worth for Will to see
all about - I love you

With fondest love to you
all
yours affectionately
Dad & Will

We are having
a birthday for
James -
Please come over
