thing comes in his throat.
I guess I am hard hearted.
Dad had lovely time at the
Broking Contest it was kept
Hospital (Infirmary Benefit)
Mayor & Mayress & other
dignitaries were there. Dad
I will Pughley went. We are not

during my excitement today, after
our good trip, 120 miles, but this
afternoon Dad & I are going Cemetery,
& to Athenian. Yesterday was perfect
day. This AM, quite rain storm
& some thunder, & so much
cool weather, but then I would
rather have it than extreme
heat.

I guess you all had lively time
at Pks. You didn't say how
C. & Convention was, & if many
people rented rooms around
there. Well, I guess you will have
lots news to tell me on my
return, sending us all good news

grandest weather & good rest -
