

We
are anxious
to see you
Hope all are
well

July 17, 1925 -

My dear ^{wife & kids} Kate & all families

Yes Gene

Yours resolutely

A.M. which we were so glad
to get; we watch for mail man
everyday, eager to hear from
home, I have heard from Marie
& Lillian so far. I am looking
forward to hear from the others
& anxiously waiting to hear
about Dorothy. We expect to
sail Sept 4th but we
haven't heard from ~~A~~ G. S.
yet regarding our re-entry.
Wish that both of the girls

to give you that nice surprise. We wish
you all the joys & long happy life together
As take care & not wear yourselves out
worry.

I hope you all had good time on the
4th. We thought of you on our trip
was grand - now we are living the
simple life - but having wonderful
time, I had - hunted up some friends
here but - Polly Pinonate
I wish we could have taken you all
where we went yesterday, it is most
wonderful place, Lightning people
visit there from all countries, Will
Emma Pugsley went with us, they
are such good company. I will tell
you more about it - on our return.

We take a Train, the smallest railway
in the world - about twenty miles

The flowers - walks, Amieuk - horses
are wonderful, we left here about
10-40. Ate lunch at - Down Tearoom -
Cold pressed meat, Thin bread & butter
fruit-salad - Devonshire Cream Tea & Coffee

Then we walked until six. o. e. returned
to same place for Tea - ate the same thing
again it was so good (minus the meat) &
added cakes. then walked until about
8. o. e. & returned home - The end of a
(Perfect day) Aunt Beanie misses her husband
so much - but she thanks the world of ^{God} for
& all of us. our pictures are every where.
I wish you & Ben would send pictures of the
boys if only snapshots - I have tried to tell
her all about the children, if we had
pictures it would help -
Well dears we miss you all very much but
we are enjoying this. I think Mother send
this to Aunt & Betty & if you are not home they can
read it & forward -

Love
from
Dad
& Mom
