Norman looks as if he had lost all his friends. The rest of us are feeling sore. We are going to try once more. and if we don't succeed will look elsewhere. I am  $\frac{3}{4}$  sick tonight.

I went down town this morning, had Norman write to Mr. Vaughan of Walla Walla, W<sup>a</sup> for his price on L. S. Blk 2, Lynch & Shields Add. to Seattle. I think if his price is right we can sell it next month. I went to 406, Leary Bldg. and investigated an adv. that was in yesterday Times. It was unsatisfactory but they have another property of 1100 acres on Snake River in Idaho, 5 miles East of American Falls that looks like we will investigate. The price is \$75000. Old lady Reader called over the porch railing to me this morning and said they were going to move today. She said she would not try to cook on this stove, and seemed full of kids. They went out this afternoon to 26<sup>th</sup> Ave. bet. Jackson and Taylor. I think the prime cause for their moving lies in cheaper rent. W. W. told me was saving \$5.00 per month, and handy to Uncle Sam. I hunted up the address of a Mr. Rogers who I latched with Sunday, and think I have rented the place again but will last 9 days and as he wants it from Apr. 1<sup>st</sup>.
