

May 5-53

Dear Rita:

Guess I'd better write a  
few lines to thank you for  
your nice letter last week  
& also one I received today &  
thanks for contents. Dad is  
taking a nap I guess on the  
downport as I can hear  
him snoring & its rather  
quiet & also hot. I'm sitting  
in bed with feet righted  
on & still its warm. English  
has been really warm  
weather so guess they have it  
too but I'd rather love it  
cool & have rain.  
I think I'm improving a

little each day. at least I  
hope so & about the time I  
think I feel so fine. I get  
Paris again. Sat out in

the front room two nights  
for a couple of programs but  
the bed chg feels good when  
I get back in here. Last  
night we didn't have a  
picture on T.V. just the  
voice so I called Melifone  
this a.m. & he can not  
find it. I was afraid the  
picture tube had burned  
out but it's no just a  
little one so guess it

we all sit for the fugues  
tonight. Tell me you are &  
stay with the brother on  
Tues night as that is the

week night & Dad  
goes to his meeting so I don't  
I am normally alone.

Dad & Dad & 3 little  
ones came over this A.M.  
& had lunch & she had  
someal things for me & put  
my hair up. It needs  
washing so badly but I don't  
feel up to it yet.

Then LaDra told you  
Jan & Lill came up  
over week end & we  
had real nice visit &

Jan + I out talked my way  
I guess. I don't feel  
too jerky + its hard to  
entertain in bed but it

did no good + the two  
girls. Tom + Ellen being  
have helped a lot + they  
took care + got much etc.

Rec'd nice letter from  
big Tony - She seems to

be fine + I hope we  
keep that way so far  
from home. I think I  
love so much + hope  
all goes well I  
imagine she gets

Love me as much as you can.  
She was so tickled with  
Sully's picture + her + her  
they'd seen in mine +  
that Sully's a body got.

Have seen Bill since  
he came here from  
Alaska but he called.  
Guess he is busy now.

Well Rita this isn't  
much of a letter + hope  
you can read this +  
I'll write again. Hope  
the Doly get a b. k. +  
hope I feel half decent.  
Today my leg has  
hurt quite a bit.

Sure hope I won't have to  
stay in bed much longer.

That you recall me &  
I know being all the time.  
With I could see Sally in  
her recitals - by your  
hope I can + something  
always happens.

Dearest love to all +  
thanks again for  
everything. Affection  
mother
